The **P&L SPECIALTIES INCLINE SORTING TABLE** is designed to work perfectly with all popular destemmers and presses. Our proprietary design uses a flat belt and a gentle incline to provide unequaled sorting ability and quality. Every element of this sorting table was developed and tested with guidance from premier winemakers. This sorting table reflects the finest craftsmanship and state of the art design available. The difference is always in the details! Call for a list of satisfied customers.

INCLINE SORTING UNIT
